SUBJECT: APPLICATION OF STAINLESS STEEL WIRE

Stainless steel Regulation from DM 21/03/1973 Chapter VI and subsequent updates and modifications.

View the list of stainless steel: POSITIVE list of steels allowed and given in Art.36 and Annex II of DM 21/03/1973, updated by DM 176/2009

Given the conditions of applications, the restrictions and tolerances of use, as indicated at Art. 37 and Annex IV of DM 21/03/1973, last updated by Ministerial Decree December 21st,2010, n.258, on the list are indicated following stainless steels:

Annex II Section 6 Part A (Steels with international denominations)

UNI EN 1008-1

Numerical Denomination	Alphanumeric Denomination	AISI/ASTM	UNS
1.4031	X5CrNi 18-10	AISI 304	S30400
1.4306	X2CrNi19-11	AISI 304L	S30403
1.4404	X2CrNiMo17-12-2	AISI 316L	S31603

It then declares that the products we supply, if used in a manner befitting and correct, are allowed to FOOD use
